

A personal note: Oct. 20, 2009

To Mr. Jack Salloway Jr.

Just to let you know you have two great men in Sam & Tay, lol. They are excellent workers. - very courteous and knowledgeable. They did an excellent job.

We did not realize at first ^{the} shape we were in with the water damage from a leak.

We were happy to see you could take care of everything and we appreciate it.

Thank You for a job well done.
