

Disaster Restoration Technician

Come join the expanding team at Soil-Away Cleaning & Restoration. You will be a part of NH's premier disaster cleanup and restoration services company. Soil-Away specializes in flood, fire, mold and bio-hazard damage cleanup for residential and commercial properties throughout New Hampshire and Massachusetts. The company is well established (founded 1990) and offers the following: competitive pay, opportunities for overtime, benefits package, career development through education/certifications and the chance to be a part of a hardworking team. Candidates with construction labor and/or cleaning experience are a great fit!

What do Disaster Restoration Technicians do?

- Be a 24/7 emergency front-line responder. The goal is to stabilize properties and minimize damages after a flood or fire.
- Turn a negative situation into a positive one for our clients. You will start to turn around their bad day by helping them recover from property disaster.
- Work with a crew to clean and restore properties: remediate mold, extract water, clean soot damage, demolition and debris removal.
- Work with other members of the Soil-Away team to coordinate successful projects: crew chiefs, project managers and estimators.
- Document projects for insurance companies and claim files: take photos, job notes, moisture readings, and sketches.
- Be responsible for company assets such as a vehicle cleanliness, tool functionality and equipment maintenance.

What does a successful Disaster Restoration Technician look like at Soil-Away?

- Professionalism in conduct and appearance
- Respectful of peers and clients
- Passion for serving others in a time of need
- Ability to work in a team environment
- Desire to learn a trade and commit to cleaning and restoration industry
- Willingness to respond to our client's needs 24/7 – This is an emergency response company
- Meet physical demands of industry and basic skills working with hand and power tools
- Pass pre-employment screening: criminal background, drug testing, driving record

What previous experiences are helpful?

- IICRC certifications and/or cleaning and restoration experience
- Construction or other specialty trades (HVAC, carpentry, flooring, landscaper, etc...)
- Janitorial cleaning, post-construction cleaning, laborer
- Fast-paced service or retail industry jobs (restaurant server, auto-detailing)

Why work for Soil-Away?

- Opportunity to learn a trade through training, industry experience and formal certification courses (IICRC)
- Competitive pay and opportunity for overtime and bonuses
- Benefits package includes options for health, dental, disability and life insurance
- 401(k) retirement plan with company match

Job Type: Full-time
